Friday 8th November

Dear Parents and Carers,

This morning some of our Year 6 children represented the school at the two memorial services being held in the parish. They respectfully placed a wreath on behalf of the children and staff of Trinity School at both locations. They represented us so well.

Our Early Years children made some poppy biscuits, and we have sent those up to the Parish Hall to be enjoyed by parishioners after the services. I am sure that they will go down very well!

Parent Consultations

Thank you to all those that attended our parent consultation sessions. We value our parent partnerships and as such we would like to arrange a time to meet with anyone we haven't yet seen. It is important that we have a dialogue about how your child has settled into the year and the progress they've made. Teachers are now not able to offer evening appointments but will be available to meet at 3.15 pm on a mutually convenient day. Please contact your child's class teacher to make this appointment.

Next Week – visitors

We have been asked to be a pilot school for the new Jersey Review Framework, so we welcome a team of four visitors to Trinity, 2 of whom are Ofsted inspectors from the UK to work with us on self-evaluation and review our school.

We look forward to sharing the wonderful learning that goes on in school as well look to see where we can make positive changes. The team will spend time with me, as well as talk to teaching and non-teaching staff, they will observe in classes and look at learning in books, they will review teachers planning and look at the curriculum and experiences we offer our children, most importantly they will talk to the children. It will be a very busy week but we look forward to receiving the feedback.

Pumpkins

Well done to all who entered our PTA Pumpkin Competition. There were so many engaging and fun entries, and we ended up giving all the children who entered a treat for their efforts!

Next Friday is Children in Need Day. Please see the email yesterday about the cake sale and funny odd socks!

Anti-Bullying Week 2024

Next week is National Anti-Bullying Week, which this year has the theme of 'Choose Respect' in line with the Anti-Bullying Alliance we will be considering what respect means and what it might look like in our day to day lives and how we can show it to others. Mrs Sleath will be delivering an assembly on this theme on Wednesday morning where the children will talk about what bullying is and how it can happen in person and online; from this assembly, each class will be given a 'basket of respect' to take back to their classrooms. Over the following days, if a child notices someone else showing respect, they will be encouraged to write it on a card and put it in the 'respect basket' which is an extension of our 'bucket filling' approach.

Building Works

Over the half term the servery really started to take shape and we are almost finished, I have been so impressed with the building team who have literally worked through the night to get this finished for us to open in January.

In the next week or so we hope to be able to invite you in to taste the food that will be available and meet the team who are providing the service. You will have an opportunity to look at menus and to ask any questions you may have. If all goes according to plan, we would like to offer a Christmas Meal in the last week of term.

Please do ensure that you go onto Parent Pay and activate your account as all the ordering will need to be completed through Parent Pay. If you have any issues with Parent Pay, please contact Mrs Racjan in the school office.
