

Finding Information Online

Year 2 Online Safety Home Learning

Autumn Term 1

Hello families,

We are learning different ways we can find information online.

We can use search engines, voice activated searching and other tools to help us find things out.

Knowing how to search helps us learn new things safely and easily!

What we are learning

To give simple examples of how to find information online (e.g. search engines, voice activated searching).

To use the internet to find things out.

To think about which way is best for the task we are doing.

Home Learning Task

Talk together about different ways we can find information online. Then try the activities below together!

1 Look around

What devices can we use to get on the internet?

2 Search in different ways

Match each character to the best way they could search.

Type in a search engine

Ask a voice assistant

Swipe or tap on a tablet

Look or search with pictures

3 Try it!

Use the internet together to find something out. What will you search for?

4 Talk together

Which way was easiest? Does it matter what you are trying to do? Why?

★ Meet our friends!

How can each friend find the information they need? Draw a line to match them to the best way.

Sam wants to find pictures of dinosaurs.

Ella wants to know what the weather will be tomorrow.

Leo wants to learn a recipe for chocolate cake.

Mia wants to know how tall a giraffe is.

Type in a search engine

Ask a voice assistant

Swipe or tap on a tablet

Look or search with pictures

Talk Together

- What do you like searching for online?
- What helps you find what you need?
- Is it better to type, talk, swipe or look? Why?

Key Message

There are lots of different ways to find information online.

Choose the one that works best!

Parent/Carer Tip

Let your child explore how to search online together. Encourage them to think about what words or questions to use. Help them choose the safest and most reliable websites for their information.

Share with school

Please upload a photo of your child completing this activity to Tapestry.

Play Extension

Play a "Search Challenge" game! Make a list of different things to find online. See who can find them the quickest!

Safeguarding is everyone's responsibility. If you have any safeguarding concerns, please talk to a member of our team.
