

Keeping Our Passwords Private

Year 3 Online Safety Home Learning

Autumn Term 1 – Lesson 1

Hello families,

We are learning about privacy and security. Passwords protect our reputation and the information that we consider important.

Let's explore how we can create and keep our passwords private!

What we are learning

Recognise that passwords protect my reputation and the information that I consider important.

Be able to suggest methods for keeping passwords safe and secure.

Password Facts

Passwords protect:

- Our photos and videos
- Our bank details
- Our online identity
- Our reputation

What are the most common passwords?

These are some of the most common passwords used in successful hacks:

123456

password

12345678

qwerty

These are easy to guess!

What makes a good password?

It is long (over 12 characters).

It is unique to each account.

It is a mix of words, numbers and/or symbols (or a phrase).

It is easy for you to remember.

Create Your Own Password Tumbler!

You will need:

- A cardboard tube (from a kitchen roll)
- Scissors
- Sleeves with pictures (to cut and stick on)

Spin your tumbler to create a new and unique password!

Keeping Passwords Safe

There are different ways to store your passwords. Choose the one that works best for you!

Store it in your browser (if your device is secured).

Create an encrypted file on your device.

Use a password manager (some are free, some cost money).

What is a safe way to remember my password?

Some people write their passwords down, but this is not very safe. The best way is to use a secure method, like a password manager or an encrypted file.

The Password Promise!

Keep your passwords private. Do not share them with anyone except a trusted adult.

Your password is your key to keeping your information safe!

Remember!

top – think before you share.

sk – if you're not sure.

ind – help from a trusted adult.

Stay safe, keep it private!

Safeguarding is everyone's responsibility. If you have any safeguarding concerns, please talk to a member of our team.
