

## Trinity School Summer Term 2025 Curriculum Letter – Year 6

“Everyone who works with children should do what is in the best interests of the child.” Article 3 United Nations Rights of the Child

Dear Parents,

I hope that you all enjoyed the Easter break and that your son or daughter is refreshed and ready to tackle their last term at Trinity School which I am sure will be an enjoyable and memorable one!

Throughout this term, staff from many of the secondary schools will be arranging times to visit and speak to the children to help with their transition into Year 7. I will also be completing work with the children over this term to ensure that they are as prepared as possible for the changes ahead. We will discuss the things that they are looking forward to and those aspects that they may be worried about, as they will soon realise that everyone is having similar thoughts.

There is of course one final term of learning to complete at Trinity. Please let me know if any further information is needed for this term's curriculum.
