Friday 7th November 2025

I hope you all had a lovely half term.

Firstly, I want to say a heartfelt thank you for all the kind messages and words of support that I've received on my return to school after my recent bereavement. They have meant so much and have been a real comfort. I'd also like to take this opportunity to thank all the staff at school who kept everything running so smoothly in my absence – I'm incredibly grateful for their care, commitment and teamwork.

This morning some of our Year 6 children represented the school at the two memorial services being held in the parish. They respectfully placed a wreath on behalf of the children and staff of Trinity School at both locations. They represented us so well.

Our Early Years children made some poppy biscuits, and we have sent those up to the Parish Hall to be enjoyed by parishioners after the services. I am sure that they will go down very well!

On Wednesday, we welcomed the Jersey Heart Support Group, which is the chosen charity for our Durrell House. They gave a brilliant assembly explaining how they help Islanders living with heart conditions. The children listened beautifully and asked some thoughtful questions.

Parent Consultations

Thank you to all those that attended our parent consultation sessions. We value our parent partnerships and as such we would like to arrange a time to meet with anyone we haven't yet seen. It is important that we have a dialogue about how your child has settled into the year and the progress they've made. Teachers are now not able to offer evening appointments but will be available to meet at 3.15 pm on a mutually convenient day. Please contact your child's class teacher to make this appointment.

Nature Garden – Stay and Play

Over the half term break, some of our families joined Mrs Fillieul and Miss Osborn for a Stay and Play session in the Nature Garden. The children who came along had a brilliant time exploring, playing and enjoying the outdoors. A big thank you to Mrs Fillieul and Miss Osborn for giving up their Saturday morning to run this lovely session, and to the families who joined in and made it such a success. We hope to do another one soon!

Winter Illnesses A quick reminder that if your child is unwell, please do keep them at home to rest and recover. It really is better for them – and it helps us stop germs spreading to other children and staff. We are short-staffed at the moment, and every team member's health makes a big difference!

Anti-Bullying Week 2025

Next week is National Anti-Bullying Week, which this year has the theme of 'Power for Good.' In line with the Anti-Bullying Alliance we will be considering what this means and what it might look like in our day to day lives and how we can show it to others. Mrs Sleath will be delivering an assembly on this theme on Wednesday morning

where the children will be empowered to speak out against bullying, support one another, and build a kinder world.

Next Friday is Children in Need Day as well as the Disco. Please ensure that you have purchased your tickets for the Disco through the Parent Pay App. Unfortunately, we cannot accept any last-minute disco goers as we must staff the event which includes ensuring we have a list of all names in case of a fire and the correct ratios for First Aiders etc on site. On Monday we will be asking you to contact us if anyone other than a parent is picking up from the disco. Please look out for the email and respond if you need to – this makes home time after all that dancing much smoother for all! Many thanks for your help with this.
