Friday 27th March 2026

Dear Parents and Carers,

It has been another incredibly busy and positive couple of weeks here at Trinity, with so many opportunities for our children to shine both in and beyond the classroom.

Firstly, I would like to say how proud we are of all of our pupils who have represented the school this week. Our Year 5 and Year 6 children took part in the Swimathon, raising money for charity. Not only was this a fantastic physical challenge, but it also demonstrated our core values of compassion and community spirit—well done to everyone involved!

Our Year 6 pupils represented us brilliantly at the Du Putron Challenge, showing determination, teamwork and resilience throughout. They were a real credit to the school.

We also had children from Year 5 and Year 6 competing in cross country, and a team representing Trinity at a netball tournament. Across all of these events, what stood out most was not just participation, but the exceptional behaviour, sportsmanship and attitude shown by our pupils. They truly embodied what it means to be part of our Trinity community—being respectful, responsible and proud ambassadors for our school.

Back in school, our Reception children have had a wonderful few weeks of learning beyond the classroom. They welcomed a visitor from Jersey Heritage and also visited Hamptonne, where they explored what life was like in the past. It was fantastic to see their curiosity, engagement and thoughtful questioning—such a lovely example of our learning power of *being curious*.

Parking for Breakfast Club

A small request to help our mornings run as smoothly as possible. If you are dropping off for Breakfast Club, we kindly ask that parents avoid parking in staff spaces where possible. When cars are not parked tightly, it reduces the number of vehicles we can safely accommodate in the car park.

We know mornings can be busy, and we really appreciate your support in helping us maximise the space available and keep things running safely and efficiently for everyone.

Celebrating Good News

As part of our ongoing work to strengthen our positive relationships and behaviour across the school, we are excited to introduce some new ways of celebrating our children's achievements. Alongside our valued Headteacher's Awards, we are launching "Proud Work" every Friday. This will provide an opportunity for teachers to nominate children who have demonstrated outstanding learning, particularly through our Learning Powers of Curiosity, Concentration, Resilience, Cooperation and Self-Improvement.

In addition, we will be introducing our new Termly Values Awards, recognising those children who consistently live out our core values of Respect, Friendship and Compassion every single day. We are proud to celebrate not only progress, but also the children who quietly and consistently do the right thing – this is all part of our renewed Relationships Policy, placing recognition, belonging and positive culture at the heart of Trinity.

If you have not filled in the Forms around permission for us to celebrate publicly the successes in school, please do so as soon as possible so we are clear on your wishes. [Pupil Recognition – Photo & Name Permission – Fill out form](#)

As we come to the end of term, we are very much looking forward to revealing how many eggs were in the PTA egg jar—thank you to everyone who has taken part!

We are also excited for our “Break the Rules” Day on Wednesday, which is always a fun way to end the term together.

On the last day of term, I would like to wish you and your families a lovely Easter break. We look forward to welcoming everyone back on **Tuesday 21st April** for the start of the summer term.

Thank you, as always, for your continued support. It makes such a difference in helping us provide these rich experiences for our children.

Wishing you all a lovely weekend.

With best wishes,
Mrs K. McMahon
Headteacher
