Dear Parents and Carers,

### Welcome Back!

A very warm welcome back to all our Trinity families! It has been wonderful to see the school full of children again this week, catching up with friends, settling into their new classes and getting straight back into learning. A very special welcome to all of our new families who have joined the Trinity community this term. We hope that, despite the rather appalling weather on our first morning, you received a warm Trinity welcome! We are delighted to have you with us and look forward to getting to know you over the coming weeks.

### Welcome to Our New Staff

We are also delighted to welcome Mrs Corfield and Mr O'Connell, who have joined our teaching team, and Mrs Jeanne, who joins us as a Teaching Assistant. They have already made a fantastic start and we know they will be wonderful additions to our Trinity team. Please do give them a warm welcome when you see them around school.

### Back to Learning

The children have settled back into school brilliantly and there is already a lovely buzz of learning across the classrooms. New routines are being established, relationships are being built and everyone is getting used to their new year groups. We have lots of exciting things planned for the year ahead and are looking forward to another year of learning, opportunities and experiences for our children.

### Some Very Special New Arrivals! 🐷

There was huge excitement on Wednesday with the arrival of our guinea pigs! After much persuasion from the children, our newest members of the Trinity community have finally arrived and, as you can imagine, they have already attracted plenty of attention! We are really looking forward to the children having opportunities to help care for them and to seeing the positive contribution they make to school life.

### Looking Ahead

Over the next few weeks, I will also share our School Development Plan with families and our wider community. This will outline the key areas we will be working on together as a staff team this year as we continue to develop and improve our school. It is important to us that our families understand our priorities, what we are aiming to achieve and the difference we want these developments to make for our children.

It is photo day on Monday! Please can all children come into school dressed in full school uniform. We are doing individual, siblings and class photos in the morning and whole school photo in the afternoon this year! Please contact us if you have any concerns or you do not want your child in the photo.
